

Koning's Konnection

August 8-11, 2017

We had a **SUPER** first week! We soared right through learning about expectations, rules, and

procedures for the bus, school, classroom, hallway, playground, and cafeteria.

There is so much to learn!

We will continue emphasizing the importance of listening carefully and following directions and expectations throughout the school year. If your child is struggling with this, you will see a mark on the behavior report within the next few weeks. Taking care of any behaviors early on will keep them from getting out of hand later on. Please speak with your child about the situation, and how you and I will be in touch to help him/her.

We have had a very busy week meeting the music teacher, Miss Brier, the art teacher, Mrs. Santos, the librarian, Mr. Watkins, the P.E. teacher, Mrs. Bornino, the school nurse, Mrs. Stacy, and all the office, custodial, and cafeteria staff.

We started working on left and right, left to right progression, the alphabet with our ZooPhonics animal friends

who help us learn the sounds and formation of each letter. We practiced cutting and gluing. We've read lots of books about manners and ways to be respectful of others and our school.

As promised, the SUPER H.E.R.O. binder will come home on Monday. Please go through it and re-read the Kdg. Information Book in the last section of the binder, especially if you did not attend the parent meeting on Aug. 3rd. This information may answer any questions you may have.

PLEASE REMEMBER...

- **Leave all pages that are in the rings of the binder,**
in the binder.
- **Remember - the binder will be sent home c**
Monday through Thursday,
- **Remember to sign the bottom of the behavior report**
on Monday, (located in the "Behavior" section)
- **Remove all papers in the back pocket every evening.**
